Coville to Feature Knit Fabrics and Full Package Capabilities at Texprocess Americas

The vertically integrated knit fabric producer and apparel manufacturer will showcase its broad range of contract and full package production services in Booth #1410 at the May 3-5 event in Atlanta.

WINSTON-SALEM, NC – APRIL 13, 2016 – **Coville, Inc.**, a vertically-integrated domestic provider of innovative knits and apparel, will feature the latest in knit fabrics and contract/full package apparel manufacturing services at the **Texprocess Americas** trade show on May 3-5 in Atlanta, Georgia. Located inside the **Supply Chain USA Pavilion** at **Booth #1410**, the company will also highlight its considerable fabric and apparel product development capabilities and fulfillment services.

According to Coville Vice President **Kevin Williams**, *“With the positive industry outlook and reshoring manufacturing trend we are experiencing now, we expect that Texprocess Americas will provide us with excellent opportunities for all aspects of our business. We are again participating in the Supply Chain USA pavilion because it gives us a terrific platform to showcase our unique range of fabrics, contract and full package manufacturing, and order fulfillment capabilities in a single venue. We look forward to sharing the benefits of how our one-stop can streamline risk and operations for our retail, brand and manufacturing customers.”*

Coville operates world-class knitting, cut and sew, and 3PL distribution services all in close proximity to its North Carolina headquarters. The company offers finished and greige fabrics, contract and full package production programs with expertise in a wide range of activewear, military, performance, protective, sportswear, underwear and other apparel and sewn products.
